***The Magolia-Mamlokia Relations in the Region  
of Al-Nasir Mohammed Al-Mamlook: according  
the Norel of Bibris Al-mensoor:in his book  
(mukhtar Al-Akhbar)***

***\*Zahida Mouhammed Taha***

***Abstract***

The book (Mukhtar Al –Akhbar) for Rukin Al-Din Al-Mansouri which is known by (Al-Dodar), is one of the well-known history sources, which deals with the history of the Mamluk –Mingol relationships during the Mamluk navy period.

The most important thing about this book is that this author lived during the period of Sultan Al-Nasar Mohammad Bin khalawin who is one of the best Sultans of the Mamluk state. the author attended the biggest military wars of the Mamluk against Magul and crusade. Besides the author shared in the Mamluk state specially during the Al-Nasar Mohamad second part of his ara.

All these events makes this book so important for it is considered the pioneer in dealing with the historical facts about the wars between Mingols and Mamluks and specifically about the battle (Muriage al Suffar)in which the author described scenes from the battle that he actually attend and shared , that what makes the information about the battle so impotant. Besides the author mentioned about the letter during (1302-702) between Al-Nasar Mohammad and Mahmmod Ghazan before the battle (Muriage Al Suffar) started.
